LACTA-AID

Cox Veterinary Laboratory, Inc.

Products You Can Trust

NET WEIGHT: 30 mL

Product Facts (continued):

FOR EQUINE USE ONLY

Lacta-Aid works at the cellular level to help convert the horse's blood sugar into readily available energy by limiting the production of lactic acid helping to reduce "tying up" syndrome.

DIRECTIONS FOR USE: Orally administer content of tube the morning of competition and second tube 30 minutes prior to competition.

WARNINGS:

- For animal use only.
- Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
- Protect from freezing. • Store in cool, dry place.
